

## **MEMBERSHIP**

**Chair: Kevin Trokey**

**Month: April 2020**

The Membership Council is focused on building on the momentum we have with back to back growth months. However, we are deeply concerned (along with everyone else) about the financial impact of the COVID crisis on our members and how that could ultimately impact membership. We are suspending the Just Ask One campaign for April (out of sensitivity to the crisis and its impact) and replacing it with a Just Thank One day. We are also starting to work on filling chair positions at all levels for the next membership year.
