

## **AWARDS**

**Chair: Rosanne Wolfe**

**EC Liaison: Erick Kohlsdorf**

**Month: March 2020**

We are closing into the last month for chapters and individuals to submit their 2020 awards to NAHU for judging. All awards are to be submitted electronically and due by Monday, April 6, 2020. The awards committee is available to answer questions or help to direct those needing assistance in the process.

The committee is working on expanding the remote judging with an overview and training for the regional chairs. Each year there are a few new awards chairs experiencing their first time for judging and this training is essential for both returning and new chairs.
