*NAHU's Anti-trust Statement: Associations are subject to strict scrutiny under antitrust laws because an association is, by its nature, a group of competitors joined together for a common business purpose. The antitrust laws require companies to make certain decisions by themselves, not in conjunction with competitors. Therefore, associations and their members must proceed with extreme caution in certain areas of activity to insure against violation of the antitrust laws. Discussions of current or future prices or commissions and refusing to deal with or boycotting any insurance carrier are among a number of areas specifically prohibited by the anti-trust laws and will not be permitted in today's meeting.

Respectfully submitted, Dane Rianhard NAHU Secretary

LEGISLATIVE

Chair: David Mordo

Board Liaison: David Mordo

Month: February and March 2017

The Legislative Council met in person at Capitol Conference in Washington D.C. on Sunday, February 12th, 2017. We had 100% attendance at that meeting.

After introductions and a welcome, we went right into an update from Janet Trautwein as to the strategy NAHU would be employing as we head to Capitol Hill on Tuesday and Wednesday.

The mantra "market stabilization" was the important message we wanted to convey as the first in an orderly fashion of items to discuss. Everyone got on board with that strategy and it was highly effective throughout the conference.

Janet also gave a detailed analysis on where we were with risk pools and how we wanted to re-classify them as "hybrid high risk pools" whereby the issuer can utilize re-insurance if they so choose as opposed to it being an actual insurance plan for people with pre-ex.

The working group chairs and the regional liaisons all gave their reports.

We reminded current members of the Council that if they wished to re-apply for a position on the Council for next year, they will have to fill out new applications. That process will start in late April.

Eric Kohlsdorf gave a HUPAC report in which he laid out the goal of \$125,000 in fundraising at the Conference.

At the March 7th, teleconference call of the Legislative Council, we had a pretty good attendance with both excused and unexcused absences.

John, Chris and Marcy gave us an extensive review of the recently released American Health Care Act.

There were a good deal of items in the proposed bill that we (NAHU) asked for and a few that were not included. We cautioned everyone that this is just a first step in a long road of negotiation and mark-ups and debate.

The capping of the employer exclusion was left out of the proposed legislation but again we cautioned that there may be changes down the line.

Working Group Chairs and Regional Liaisons gave their reports to the Council.

Respectfully submitted,

Dave Mordo

MEMBERSHIP

Chair: Paige Phillips Board Liaison: NONE Month: March 2017

Membership Numbers

January numbers 16,629 down from December which was 16,663

265 new members. 272 lapsed

Retention for January is 78.37% up a little from December which was 78.14%

We completed our bank draft contest and disbursed gift cards to the winners who attended Capital Conference and mailed the additional winners. We are continuing another bank draft contest which started 3-1-18 and runs through May 31. We want to give the ones who are renewing a chance to renew on bank draft. We are lowering the gift card amount to \$100 and not giving out as many cards.

Also we awarded 4 scholarships to members to attend Capital Conference. I will be following up with them and letting them know if they recruit at least 3 members between Cap Con and convention, they will receive another complimentary registration to their choice of Cap Con or Annual convention.

Bob Tretter, Deb Crouch and myself had a conference call regarding membership and ideas. We have a lot of good ideas going forward on recruiting new members. We are really trying to place a monetary "value" on our membership. This is one of the items discussed at leadership meeting and also mentioned in several books we are reading on membership. Bob is working on that project.

We have a new contest going just for the last two weeks of March. It is our March Madness. From March 14 thru March 28 anyone NEW member who joins NAHU will receive \$50 off their annual dues. We hope this will generate a spike in our numbers for March.

GAIN restructure. I have attached details of the GAIN restructure which needs Board approval to move forward with it.

GAIN CUP RESTRUCTURE.

In evaluating the GAIN contest, the Membership Council would like Board consideration to restructure the GAIN cup from basing the winner just on membership numbers to an overall Regional award based on member participation and engagement in several areas. The areas highlighted in this presentation will not only get members involved but these are areas that increase revenue for the association such as HUPAC, LPRT, Triple Crown, credentialed delegates coming to convention, and recurring draft (increases retention).

As we develop our corporate partners program as well as targeting certain agents specifically such as Medicare for example, this could possibly skew the numbers significantly in any given region on the GAIN contest such as it has done in the past which weighs to the advantage of some regions. Accordingly when some corporate sponsors downsize or lay-off employees such as AFLAC or Zenefits downsizing could also heavily weigh on the retention side which again is unfair to the regions because this is beyond their control.

The following scenario treats all regions fairly especially since the figures are based on percentages and not actual numbers (which would be to the advantage of the larger regions). In these scenarios, Region 6 would have won last year regardless of the two scenarios used. Region 6 is the 4th largest which indicates that the largest would not always win.

Since the name of GAIN is GET AGENTS INVOLVED NOW – it's not just about membership – it needs to really get them involved. We think this includes just that and we could still have "the cup" – but it would be blended in with all of the following criteria. Additionally, I spoke with the awards chair out of courtesy to see if they were working on any new awards or anything that would conflict with our membership award and this criteria and they are not working on anything different at this time. After we initially did these scenarios it was mentioned to include the Professional Development. Since NAHU has record of the members that took the courses, we can easily add that category as well. That way we have touched all areas of NAHU: Professional Development, Membership, LPRT, HUPAC, Awards.

The Membership council can "tweek" the points and detailed information later, however we would like The Board to vote on overall structure change from just membership numbers to include the different areas of our association. It is our hope in the future getting the regions aware of this change would get more members involved and excited and ultimately more revenue as well.

Data is based on the following

Gain winners

Highest retention rates

% of HUPAC contributors compared to number of members in that region (awards year)

% of LPRT qualifiers compared to number of members in the region (awards year)

% of Triple Crown compared to number of members in the region (calendar year)

% of credentialed delegates compared to "eligible delegates" (convention within the awards year)

% of recurring payments (draft/list bill/corp members) relation to annual pay (as of March 31)

% of PD certifications and/or designations completed (awards year)

2 scenarios – One giving equal points in all categories

One giving more points to GAIN winners and retention rates (this seems to be the favorite)

Look at each column separately. Example. Gain column – Region 7 was 1st and got 40 points- Region 6 was 2nd and got 30 points and Region 3 was 3rd and got 20 points. So basically Region 6 came in 2nd in GAIN and bank draft but since they were 1st in other categories, their point total was the most

REGION	GAIN	HUPAC	LPRT	Tri crown	delegates	bnk dft	retention	total
1						1 st (40)		40
2							3 rd (20)	20
3	3 RD (20)	2 nd (30)	3 rd (20)	3 rd (20)	Tie 2 nd (30)		2 nd (30)	150
4								
5		3 rd (20)	2 nd (30)					50
6	2 ND (30)	1 st (40)		1 st (40)	1 st (40)	2 nd (30)	1 st (40)	220 winner of cup
7	1 ST (40)		1 st (40)			Tie 3 rd		100
						(20)		
8				2 ND (30)	3rd (20)	Tie 3 rd		70
						(20)		

All categories got the same Points 1^{st} - 40 points 2^{nd} - 30 points 3^{rd} - 20 points

Region	GAIN	HUPAC	LPRT	TRI crown	delegates	bnk dft	retention	total
1						1 st (40)		40
2							3 rd (30)	30
3	3 RD (30)	2 nd	3 rd (20)	3 rd (20)	Tie 2 nd (30)		2 nd (40)	170
		(30)						
4								
5		3 rd	2 nd (30)					50
		(20)						
6	2 ND (40)	1 st		1 st (40)	1 st (40)	2 nd (30)	1 st (50)	240 winner of cup
		(40)						
7	1 ST (50)		1 st (40)			Tie 3 rd		110
						(20)		
8				2 ND (30)	3 rd (20)	Tie 3 rd		70
						(20)		

In this scenario – more weight was given to the GAIN winner but Region 6 would still win.

Points Gain 1^{st} -50 2^{nd} - 40 3^{rd} - 30 Retention 1^{st} - 50 2^{nd} - 40 3^{rd} - 30 All other 1^{st} - 40 2^{nd} - 30 3^{rd} - 20

GOVERNANCE

Chair: Steve Selinksy

Board Liaison: Mike Embry

Month: March 2017

Vice Chair Selection P&P

- BoT has some concern about the need for the Governance Committee to "approve" the applications. Update the language to demonstrate that the Governance Committee's role is to vet the applications.
- Clarify the process
- Need to create commitment letter and job description and expectations
- ➤ Bylaws Amendments 2017 House of Delegates
 - David Smith will work on language that removes BoT support of the At-Large amendment while still keeping the option open for future options.
 - o Adding PD as a BoT member will be re-submitted. The rational will have to be more then just based on the financial contribution the committee makes.
 - Need to demonstrate that PD is the third leg of NAHU and its contribution on the BoT is an essential part of the strategic planning and future of NAHU.
 - o Janet will set up a discussion with the past NAHU presidents.
 - o The BoT needs to speak with one voice on all issues, including this one.

LPRT

Looking at promotional opportunities for the LPRT program as well as the Soaring Eagle Symposium.

Media Relations Committee

MEDIA RELATIONS

Chair: Dave Cluley

Board Liaison: Rusty Rice

Month: February

Chair Report

The committee met February 12 while at Cap Con. The next meeting is March 23.

The shortened member survey is being reviewed by Janet.

Items discussed at the February meeting:

- Producing consumer materials for local chapters
- A new tagline "You Are Not Alone" possibly a great message to reach consumers and prospective members
- The need for a consistent URL on the website for Find an Agent
 - Make mandatory that members who opt-in to the Find an Agent feature take calls from the public; be opted out if they chose not to take calls
- An operation shout for local media relations chairs providing talking points on each issue
- Establishing a clear focus on the role and structure of the committee and determine a level of responsibilities
 - It is felt the "Media Relations" title is confusing and should be changed to better fit the purpose of the committee, with the exception of creating subcommittees as an addition
 - Perhaps, have separate strategic communications, media relations, and communications sub-committees
- Need for a two-way street communication from national to regional to state chapter leadership and back
- Lack of parity with Legislative and HUPAC at Cap Con nothing on the agenda not even asked – critical third leg of the stool is overlooked/missing
 - Incorporate breakout sessions on media relations/communications at Cap Con, Conventions, regional and state meetings to provide members with media training
 - Create sample interview videos for members; e.g., how to/not to conduct a Hill visit
- Create a certification program, similar to professional development, where members have access to free modules on all components of media training to:
 - Develop future media relations chairs who are prepared to be a media chair (create a tracking database)
 - Receive certification at the end of the program
 - Help improve their own businesses

 Provide tools they can take back to their local chapter to train and engage their members

Regional Reports

Region 5 – Bill Hendrickson

The newly elected North Carolina Commissioner of Insurance, Mike Causey, will be the speaker at the Triangle chapter's meeting on March 14. The press will be invited to attend and likely will. Also, it has been practice of the previous commissioner to appear annually on my radio program and we expect Commissioner Causey to follow that tradition this coming July.

Region 7 – Scott Leavitt

We continue promoting Brokers Making a Difference, sharing NAHU Infographics on the Region 7 Facebook page and having members share them on their Facebook pages.

Many Region 7 members continue to be interviewed by the newspaper, on radio and even TV. I receive these media hits from the members and leaders and post some of them on the region's Facebook page and forward them to NAHU.

No other reports received.

Professional Development

Committee

PROFESSIONAL DEVELOPMENT

Chair: David C. Smith Board Liaison: Rusty Rice Month: March 2017

Our next call is at the end of the month, but we did meet during Capitol Conference and had a very lively discussion about Professional Development Day during National Convention and the committee's longer-term goals.

PD DAY DURING NATIONAL CONVENTION: We decided that our Professional Development Day agenda will this year (and ideally in future years) focus on Advanced Learning for attendees – recognizing that most of the attendees are experienced in the business and a higher level of programs would contribute more significantly to their professional lives.

With this in mind, we chose both topic areas and individual offerings along those lines, and are very excited for what this will mean in Orlando. The near final layout is attached.

CERTIFICATIONS:

 Delivered our new Benefits Technology Certification as a NAHU sponsored pre-conference event during the Workplace Benefits Renaissance Conference in New Orleans on March 1, 2017 with great success and helpful feedback. The certification will be taught again at the BenefitsPRO Expo in Indianapolis on April 11.

• Advanced Self-Funded Certification is moving through the process and expected to be available during 2Q 2017 – we already have some chapters expressing interest in scheduling this new program once it's ready to go.

REBC: Remember that the REBC redesign is **complete** and open. We believe we have our first person to complete the program, and anticipate having a number of individuals to recognize at

National Convention in Orlando as our initial class of REBC Designations. This is such an exciting development and way to bring all our work together in a long-sought designation of our own. This will continue to be a great source of pride for our members, and a reflection of our association's commitment to Professional Development for agents, brokers and consultants. http://www.nahu.org/education/designations/rebc.cfm
